RE: Public Records Request dated July 2, 2019

Mr. Martinez,

This correspondence is in response to your public records request dated July 2, 2019.
The original request was for:

*"Records and materials related to the solicitation, acquisition, and use of face
recognition technology and related software and services"*

Attached with this correspondence are documents responsive to your request. Please be advised additional documents exist but are being withheld because they have been determined by Chief Jeff Bliemeister of the Lincoln Police Department to be records not disclosable under Neb. Rev. Stat. § 84-712.05.

Specifically, it has been determined LPD General Orders and Standard Operating Procedures constitutes a record developed or received by law enforcement agencies and other public bodies charged with duties of investigation or examination of persons, institutions, or businesses, and those records constitute part of the examination, investigation, intelligence information, citizen complaints or inquires, and/or the reports contain strategic or tactical information used in law enforcement training as contemplated by Neb. Rev. Stat. § 84-712.05(5).

If you believe any records have been unlawfully withheld, please consult Neb. Rev. Stat. § 84-712.03 to determine your right to seek administrative and/or judicial review of this office's determination.

Should you have questions or wish to discuss this matter further, feel free to contact me directly. I can be reached via telephone at 402-441-7281, or via email at rtast@lincoln.ne.gov.

Regards,

/s/ Rick Tast
